

SUMMARY: APPLICATION INSTRUCTIONS

Interactive Technology Specialization
In the General HES Graduate Degree (M.S.)

1. **APPLICATION TO THE GRADUATE SCHOOL USING THE ELECTRONIC PROCESS at the Application Center** (<http://www.graduate.ua.edu/application/index.html>)

- List your application to the **General HES Graduate Degree (GHES Masters)** with a SPECIALIZATION in **Interactive Technology**.

MAJOR: General Human Environmental Sciences Masters

SPECIALIZATION: **Interactive Technology**

It is important for you to list the major and the specialization properly; otherwise your application may be denied or significantly delayed. Also order your transcripts from other institutions immediately as this may take up to six weeks depending on the institution.

Within 2-3 days you will receive via email your CWID (Campus-wide Identification). This will then allow you to log in and submit your supporting documents.

2. **SUPPORTING DOCUMENTS REQUIRED**

Once you receive your login CWID, these will be uploaded electronically as part of the application process.

- **References** (3) – For each of the areas listed below, select someone who can speak to your ability, track record and/or potential. This will all be done electronically via the information you provide in the electronic application. Secure their permission and get their correct information including preferred email through which they will receive their invitation to provide the reference information.
 - Scholarship
 - Goals
 - Community
- **Resume** – The first section should be a goal statement explaining how you would expect to use the skills and knowledge in one or more career paths upon graduation. The balance of the resume should include the usual job history and other information. References are not needed in this resume.
- **Statement of Purpose/Writing Sample** – The Graduate School Application includes a Statement of Purpose, which will be reviewed by the Interactive Technology Specialization for its content (why you wish to be considered for this specialization) and also as a writing sample.
